Student Dedication Agreement

I, _____ understand that music performance is a labor-intensive activity that demands a high level of personal commitment, time, and effort. By signing this document, I promise to dedicate the necessary time and effort to excel as a student of flute performance. I realize that I must treat my lessons with respect and seriousness by presenting myself in a professional manner for lessons and performances in regards to practice, preparation, and physical appearance. I understand that practice time consists of opportunities to improve or maintain my skills, learn new music, conquer musical and technical problems, review known material, maintain acquired ability, and extend musicianship. I recognize that practice time is a time to reflect and grow, and it should be a positive, reaffirming, optimistic opportunity for me to learn and improve, providing a sense of personal accomplishment and steady progress. I will also uphold the principles of musical integrity as exemplified in the Studio Policies for the Flute Studio of Jennifer M. Gosack, which I have read and understood.
